HANDCRAFTED IN BASSETT, VIRGINIA
SleepSafe® Beds is a domestic USA manufacturer of custom safety beds, featuring removable safety side rails, designed to address the issues of falls and entrapment for those with special needs. Models include SleepSafe®-Low Bed, SleepSafe® II - Medium Bed, and SleepSafe®- Tall Bed, offering progressively more safety rail to mattress height.

FOR THOSE WITH SPECIAL NEEDS

This model is available in twin size only. Other SleepSafe® Beds are built to order, offering twin, full or queen size; fixed, articulating or HiLo foundations; padding; wood and color choices, and other helpful options. SleepSafe® Beds help those with special needs get a safe, restful sleep.
